## Window Transaction Survey

PO Name: HALSEY ZIP+4:

Completed By:

MICHELLE HARGIS

Survey Period: 05/14/2011 through \_\_\_\_\_

05/27/2011

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

POSTAL CUSTOMER  
HALSEY POST OFFICE  
HALSEY, NE 69142

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Halsey Post Office retired on 01/01/2010. The Office is being studied for possible closing or consolidation for the following reasons: Reduction in workload and reduced customer demand.

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by highway contract route service emanating from the Thedford Post Office.

We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Enclosed is information about some of the services available from the carrier. Retail services are also available at the Thedford Post Office, located 16.0 miles away. Hours of service at this office are 8:30-12:30-1:30-4:00, Monday through Friday, and 8:30-10:00 on Saturday. Post Office box service is available at this location at the same fees.

In addition retail services are also available at the Dunning Post Office, located 10.0 miles away. Hours of service at this office are 7:45-3:30, Monday through Friday, and 8:15-10:15 on Saturday.

I invite you to think about a possible change to highway contract route service. Please return the enclosed questionnaire by 06/29/2011 using the pre-addressed envelope provided or at the community meeting. Please be aware that, if we formalize a proposal, your questionnaire will become part of an official record and will be available for public viewing.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the Sandhills Elementary gymnasium on Wednesday, June 29, 2011 from 6:00 PM to 8:00 PM to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call LeAnn Tvrdy at (402) 930-4431.

Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Hand".

The P.O. in Halsey is the friendliest P.O. in the area. Since moving to Halsey 4 yrs ago I have been noticing that business has increased.

I feel that giving the services to a carrier would not benefit my family in any way as delivery services may be too short for important mail (to us) to make it in time to be mailed same day.

The carriers already have time consuming routes and this would not only place extra work and time on them but the customers as well.

If the postal service can afford to advertise services on T.V. and pay the head post master an exorbitant salary, it should be able to keep a post office open.

To have a P.O. remodeled and then close it seems to be an extremely unthoughtful waste of money.

Most carriers in this area drive a fuel efficient vehicle, and for them to start carrying boxes, stamps and mail for use or need would cost in an increase of vehicle which more than likely reduce fuel economy and place another financial burden on them.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

Sincerely,

I am personally asking the U.S. Postal Service to listen to Halsey, Nebraska customers rather than ignore them.

If someone in Halsey sends a letter across town via U.S. mail, that letter will have to be trucked how many miles and back before it's delivered in Halsey? And at what cost?

This adds significant fuel costs and adds precious time to what Nebraskans expect to be a simple cross-town delivery.

It could affect one full time job in Halsey, plus the carrier route employees.

How about the cost of new machinery that would be necessary to handle additional mail volume and additional employee's needed in the hub town where mail is sorted to get back to our hometown.

I count myself among many Nebraskans who are frustrated by this proposal apparently moving forward with little or no input from Nebraska ratepayers.

Halsey, Nebraskans deserve and expect to understand exactly how this move will affect them should this proposal to close move forward.

We are located on a major highway #2.

Seeing the USPS advertise on national television encouraging us to use the USPS, it seems to me that these monies might be better spent keeping the small local post offices open where we would and do use them, without needing the advertising to remind us to do so.

Are there any assurances that this plan actually saves money.

The high price of gasoline the Postal Service would need to deliver our mail from the hub and the purchase of new vehicles to haul the mail might be better spent on keeping the smaller offices open.

On a personal note, I sell objects online and would find it bothersome and to have to deliver my packages elsewhere to mail them out. I would think the cost of pick up that is advertised by the Postal Service would be just as costly as keeping our Post Office 69142 open. In my case, the price of gas prohibits driving daily to mail packages.

Many of us in rural areas get our medications delivered by mail. Health wise this would not be advantageous to us as we sometimes need them the day they are delivered.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the economic savings of the proposed discontinuance. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings with this change. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

I would have a serious issue with my mail coming through the Chadford office. If the Halsey post office closes I would like to have all services come through and be contracted through the Purdum, NE. Post office. I have had too many issues with my mail as it is, and the Chadford postmaster has no clue who most of us even are or those that live in our households with different last names. Mail that should be delivered is returned just because of this issue. The postmaster in Purdum knows the community better and those that live here.

Sincerely,

A. Brown Reer

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- I understand you would like the mail box closer to your home as that would be convenient to you. Unfortunately we have to make sure that it would be on the carriers line of travel. Until the postal service decides what course of action this study will take we cannot determine where delivery would be.

If yes, please explain: We do pass other post offices while shopping or for personal needs but not on a regular basis. We ranch so only go to town when needed; I have lived in the country most of my life so we have learned to think ahead & stock up on groceries & personal items. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at [usps.com](http://usps.com), or by calling 1-800-STAMP-24.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the services available from the rural carrier. The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

To whom it may concern:  
USPS, NE Congress, NE Senator,

I am writing this and these suggestions to help us save the Post Office in Halsey, NE, 69142:

1. My first suggestion is that the USPS start at the top and discontinue advertising on television and wherever other ads may appear encouraging us to use the PO. It seems to me it would be a better expenditure to let us keep the PO open and then we would use the facilities. We already know what the Postal Service offers and it is good. I don't feel they need to spend the money to remind us while crying hard times and closing rural offices.
2. Would it be an option to keep us open with lower work hours such as 8:30 AM to 12:30 PM? 50% of all rural offices facing closure would seem to work on saving money rather than random closure of some.
3. On a personal note, my husband and I are in our mid 60's and I know that we would not drive elsewhere to mail packages as often as we do mail them on a regular basis. I think we would end up using UPS (which we do not now use personally). We also get medications delivered and HC boxes are known to be targets for vandals, especially in communities with elder persons who are known to receive drugs and money delivered by contemporary mailing, not electronic, which most of us at an advanced age are unfamiliar with.
4. I did take offense at the spokespersons comment that in doing a survey they found that our Postmaster only worked 14 minutes per day. I think this made her sound like a robot or machine who didn't say hello or thank you. I have tied her up more that 14 minutes doing business on one day, and I'm sure this didn't count the time she spends doing mandatory paperwork.
5. I do hope you reconsider our request, even if it means a half day. At least we would feel that our mail will continue to be safe and secure. Old traditions die hard and the Post Office has been a rural tradition for over 100 years and I personally would hate to loose it.

Thank You,  
Mary Frodsham

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- I would like to take the time to answer some of your concerns that were stated in the letter. In the concern about cutting top jobs in the postal service, I would like to inform you that the postal service has cut many top positions, when our current Postmaster General took office. Closing small vacant post offices was just one of the many ways that the postal service is looking to cut costs and try to save our business. The Rural carriers are very good and should be commended for the job they do daily to provide excellent service to our customers. I believe they truly care about your letters and Packages, please let them know if you have a specific place you want medications placed that would be secure for you if your not going to be home, when the carrier arrives at your box. Unfortunately I am not able to answer questions about reducing window hours at this time. There have been many requests given to congress to allow us to go to a 5 day delivery system which would cut costs considerably, unfortunately this request has not been granted so we have had to search other alternative methods to cut costs.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Trvdy at (402) 930-4431.

I am shocked at the possibility of Halley Post office closing - We need our Post office. I am a handicapped citizen of Halley and I'm 84 years old. I live 3 1/2 blocks from the Post office - When weather permits I can use my walker and go get my mail.

I came to this area in 1949 and lived on a ranch 9 miles North West of Halley. Our mail was brought to our Box on Purdum Road - addressed as HC 76 Box 2. We travelled 5 miles on gravelled road to get our mail. In 1992 I moved into Halley and it was great to be near my Post office - I use Halley Post office and buy my stamps - they cost me \$8.80 a month and in December averages 64¢ for 4 mas cards.

Are you aware our area has Nebraska National Forest - Nebraska H.A. Camp. Sandhills school elementary - Mail is carried to Purdum and Elmore from our Post office - In Purdum we have Purdum State Bank - Purdum has a small Post office but is still active -

Our acting Post Mistress comes from Thelard. Why don't we have local people for our area - Our town needs local people.

Please don't close our Post office. if needed cut our hours open. We live 17 miles from Thelard and 10 miles from Cumby - Our mail comes from North Platte. Sunday mail comes from Grand Island.

Please help us,

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- If the discontinuance would be approved your mail would arrive to the street very close to your house, possibly right in front of your residence. If special needs are required by the mail carrier to collect or deliver packages for you simply leave a note in the box. I understand that the national forest there in Halsey provides a lot of traffic and business for your community. Unfortunately the postal service has been under a hiring freeze for quite some time now and providing you with a local Postmaster have not been done for many communities. I understand your concerns and will take all of what you have stated in mind when making any further decisions.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the services available from the rural carrier. The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales. By placing mail boxes on the rural carriers line of travel I hope that the elderly will find that its just as convenient to do business with the rural mail carrier. I realize that the Halsey National Forest, and 4-H camp bring in business to your community, and have specific needs with the postal service. I will take all your concerns in consideration when making my decision.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. My name is Colleen Higgins. I retired in January of 2010, after serving the Halsey community for 35 years as their postmaster. The post office is a viable center for our community.

The post office serves a box section of between 55 and 60 boxes. Halsey is the administrative office over the Purdum and Elsmere post offices.

The Nebraska National Forest is located at Halsey. So all the business of the United States Dept. of Agriculture and camp ground associated with the forest is handled by the Halsey office.

The Nebraska State 4-H camp is also located at the Halsey forest. With all the activities at the camp the post office is vital to them.

Sandhills Public Elementary is located at Halsey. This is the elementary center for Halsey, Dunning, Purdum, Brewster, Elsmere and surrounding rural area. The school district covers parts of five counties. It is essential that they have a post office to serve them.

Our community is mainly elderly people. It would create an unjust hardship for them if the post office would close and they would have to travel up to 34 miles round trip to meet their postal needs. Our elderly people do not use the computer and internet services like the younger generation, so they deserve to have this service continue for them.

Our post office building is in excellent condition, with a new roof, new furnace, new box section with parcel lockers and new counter line.

Please reconsider this closing or reduction in hours. Our community deserves to have this important service continue.

Respectfully,

Colleen Higgins

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the services available from the rural carrier. The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales. By placing mail boxes on the rural carriers line of travel I hope that the elderly will find that its just as convenient to do business with the rural mail carrier. I realize that the Halsey National Forest, and 4-H camp bring in business to your community, and have specific needs with the postal service. I will take all your concerns in consideration when making my decision.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

Sincerely,

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner. I understand the needs of the school and feel that your community has needs that the postal service provides to you. I also believe that your rural carrier will be able to supply you with many of the services that you are commonly using at the post office today.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

Dear Sir or Madam:

I would like to extend warm greetings from the Sandhills of Nebraska. The purpose of this letter is to ask your support in helping us keep the Halsey, Post Office open and maintained at its current level of service.

Myself, as well as many district patrons, attended a public meeting June 29<sup>th</sup> to discuss possible changes, including closing, the post office in Halsey. Kathy Hand, Post Office Operations Manager, hosted the meeting. This issue is particularly important to our school district, as Halsey is the location of our K-6 Elementary Building.

Our school district continues to see a decline in enrollment. We have not received equalization aid for several years now. However, we see no choice but to continue to fund a free and appropriate education to our patrons. Further consolidation of our district is just not feasible. Our school district is over 903 square miles in area. Many of our students must travel close to an hour to arrive at school. My point is we are committed to providing the basic needs of education in our district without state aid. I am asking your support to encourage the postal service to do the same as we feel postal service is a basic right to our citizens like public education.

We do business with the post office daily during the week. It is an essential service in which the school district, as well as businesses and families, depend on in Halsey. Not having our current level of service would require us to travel to Thedford or Dunning for those services. This will impose a new level of hardship on the citizens of Halsey not to mention more expense to businesses, families, and the school.

Please join us in encouraging the U.S. Postal Service to maintain the Halsey Post Office. Your assistance and support is great appreciated.

Sincerely,

Dale J. Hafer  
Superintendent

Dear Sir or Madam:

Please accept this survey response on behalf of Sandhills Public Schools. Our Elementary School is located in Halsey. Naturally, the school is a regular customer of the Halsey Post Office.

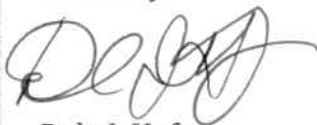

The purpose of this letter is to ask the Postal Service to continue the current level of staffing and service at Halsey. The post office is an essential part of school business. We depend on the post office for daily district business. It will be a hardship for us to lose the level of service we currently have at Halsey.

At the current time, I must interrupt my staff in order to pick up and perform mail business. This is manageable simply because the post office is in town next to the school. We understand that if cuts to the Halsey office occur, we will be required to travel to Thedford or Dunning to receive certain services. This will likely force the school district to hire an additional employee to travel and take care of the district's mail needs. This will impose a hardship on our district and the patrons, which fund the education of our children.

Please take into careful consideration the needs, facts, and opinions of the people who utilize the Halsey Post Office. We feel strongly the maintaining the Halsey Post Office is reasonable and important for the success and survival of the community, school, and businesses.

Thank you for taking the time to consider our needs.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

#### **PURCHASING STAMPS BY MAIL**

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

#### **PURCHASING POSTAL MONEY ORDERS**

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

#### **SPECIAL SERVICES**

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

#### **HOLDING MAIL**

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Halsey Post Office should be pursued, a formal proposal will be posted in the Thedford Post Office, Dunning Post Office and Halsey Post Office at a later date. If you have additional questions or comments, please feel free to contact LeAnn Tvrdy at (402) 930-4431.

Thank you for returning your questionnaire concerning the proposed discontinuance of the Halsey Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the detrimental effect the loss of the Post Office would have on the community. Businesses generally require regular and effective postal services, and this will always be available through the rural mail carrier. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.
